

APPENDIX E-153 P

NOTIFICATION OF DSC DECISION ON WITHDRAWAL TRANSACTION

1. PURPOSE

This procedure is applicable to chapter 50 and describes the preparation and processing of the Notification of DSC Decision on Withdrawal Transaction, DIC ZSM. This transaction notifies the Inventory Manager (IM) that the last user has been withdrawn and retention or deletion of the DSC MOE Rule requires review. This transaction is prepared by the IM to annotate the appropriate retention or deletion decision. Appendices F-065, F-167, or F-292 will accompany this transaction.

2. APPENDICES USED IN THIS PROCESS

- a. Appendix B-153, Notification of DSC Decision on Withdrawal Transaction.
- b. Appendix E-153 V, Notification of DSC Decision on Withdrawal Transaction Violations.
- c. Appendix E-292 P, Last User Withdrawn for SSC/FSSC 2, 3, or 9 Items.
- d. Appendix E-307 P, Standard Supply Control Study (SSCS).
- e. Appendix F-065, Report of Delayed DSC Withdrawal Action.
- f. Appendix F-167, Standard Supply Control Study (SSCS).
- g. Appendix F-292, Last User Withdrawn for SSC/FSSC 2, 3, or 9 Items.

3. RESPONSIBLE ORGANIZATIONAL ELEMENT

The IM in the Directorate of Supply Operations (DSO) is responsible for the procedures described in this appendix.

4. PROCEDURES/INSTRUCTIONS

- a. Procedures applicable to review of SSCS, appendix F-167:

(1) Review the SSCS with Reason for Study Code RE in accordance with the procedures described in appendix E-307 P.

(2) After completion of the review, annotate the appropriate Advice Code to Retain (RE) or Delete (DL) the DSC MOE Rule in pos. 65-66 of the accompanying preprinted DIC ZSM.

(3) Forward the completed transaction to data entry for processing. Violations resulting from this process will be output on appendix F-117 and will be corrected in accordance with the procedures described in appendix E-153 V.

(4) Valid transactions will update the Supply Control File (SCF) and the Inactive Item Review History File (IIRHF) based upon the Advice Code entered.

b. Procedures applicable to review of Last User Withdrawn for SSC/ FSSC 2, 3, or 9 Items, appendix F-292:

(1) Review the appendix F-292 with Reason Code RE in accordance with the procedures described in appendix E-292 P.

(2) After completion of the review, annotate the appropriate Advice Code to Retain (RE) or Delete (DL) the DSC MOE Rule in pos. 65-66 of the accompanying preprinted DIC ZSM.

(3) Forward the completed transaction to data entry for processing. Transactions will be validated and processed as depicted in appendix D-150. Violations resulting from this process will be output on appendix F-117, and will be corrected in accordance with the procedures described in appendix E-153 V.

(4) Valid transactions will update the SCF and the IIRHF based upon the Advice Code entered.

c. Procedures applicable to review of Report of Delayed DSC Withdrawal Action, appendix F-065:

(1) This listing notifies the IM that the decision to retain or delete the DSC MOE Rule has been pending for at least 90 days. This listing will be output each monthend until DIC ZSM has been processed.

(2) Review this listing in accordance with appendix F-065 and expedite processing of the DIC ZSM and the accompanying SSCS or appendix F-292 as described above.

5. FLOWCHART

Flowchart is not required.
